### **Job Title: Electrician-Lead Electrician**

We are growing our team! The perfect team member to join us should have a passion for doing exceptional work and truly appreciate the trade. Our owner works in the field every day because he loves the work and takes pride in quality work and building lasting relationships with partners and clients. The most important requirements in this role is a strong work ethic and desire to work safely for our clients. Strong leadership skills are important because you will be asked to thrive independently in some cases or with a helper. Self-discipline and the ability to lead others would be a major advantage. Must always be on time, respectful to customers, and pass regular drug screenings. If you cannot do these things 100% of the time, do not apply. We will always do what is right for people and priority #1 is to be great workers of our trade. We love team members with all types of additional skills from handyman, painting, flooring, etc. Do you want to grow and establish yourself in a rewarding career? Join a successful and growing company and be part of something special!
