

Quality Financial Concepts of Maryville, TN is seeking a detail orientated experienced Accountant/CPA to join our team. This full-time Tax Accountant will prepare client federal and state tax returns for businesses, trusts, estates, gift, and individuals as well as help grow our tax business. We are offering a competitive salary based on experience and credentials. Excellent benefits are available including medical, dental, a 401k plan, paid time off, and education assistance.

Quality Financial Concepts, a 39-year-old firm, is a full-service financial advisory firm providing retirement planning, investment management, estate planning, tax services, and insurance protection. We believe the approach a firm takes to find solutions is more crucial than the solution itself. QFC emphasizes the planning process and in-depth conversations to fully understand each client's goals and objectives. Whether they are local to East Tennessee or outside of the state, we take the time to get to know our clients.

RESPONSIBILITIES

As a Tax Accountant, you will have discussions with clients and enter their data into professional tax software and research various tax issues. In the off season, your schedule becomes flexible.

QUALIFICATIONS

- Bachelor's degree in Accounting or related degree
- Two or more years professional tax return preparation experience required
- Must be able to accurately prepare returns from beginning to completion
- Successful problem-solving and analytical skills
- Extreme attention to detail
- Strong time management skills
- Able to work flexible schedules including evenings and weekends during tax season
- CPA and/or Enrolled Agent License (Preferred)
- Must have a clean background check and fingerprinting

The typical schedule for this position is Monday through Friday from 8 am to 5 pm. Extended hours during tax season. If you feel you would be the right fit for our position, please send your cover letter and resume to resumes@qualityfinancial.com.
